

FEMALE 5 BAY VACPOD® TOILET

www.ptl.uk.com

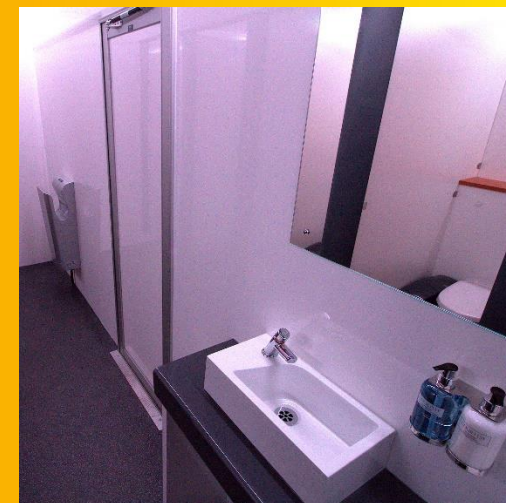

OUR MARKET LEADING 5 BAY VACUUM UNIT.

PTL's game changer! The very sustainable solution to luxury mobile sanitation requirements.

Our 5 Bay Vacuum Unit really adds to your green credentials, whilst offering your guests clean, fresh water and vacuum powered loos.

Your party, VIP garden or production areas will never look back!

After years of research, we have created these 5 WC PODS that have created a storm within the event sector. Fresh water, and highly sustainable (using only 450ml of water per flush), these units have revolutionised the upgraded options for sanitation at events.
