

DISABLED VACUUM UNIT

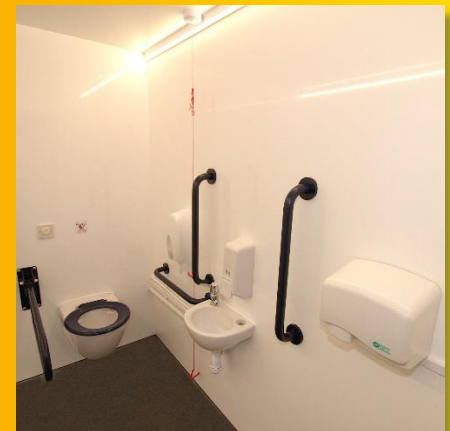

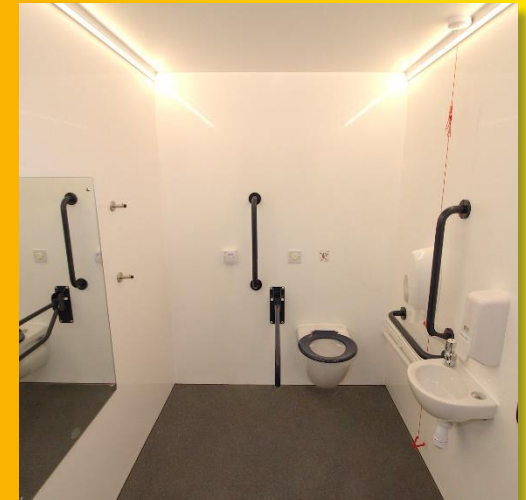

www.ptl.uk.com

ONE OF OUR UNIQUE ACCESSIBLE VACUUM UNITS. NOT AS HIGHLY SPECKED AS THE HDU BUT FULLY COMPLIANT FOR WHEELCHAIR USERS

Our newly developed accessible vacuum pod, built following consultation with the wonderful 'Attitude is Everything' organisation, provides a fully accessible, fresh water vacuum unit in keeping with the look and feel of our famous 5 bay VACPOD's.

Very sustainable, using only 450ml of water per flush (compared to over 5 litres per flush in comparable mains units) and finished in a clean white GRP, this is the perfect unit for guests with access requirements.
