PTL'S HIGH DEPENDENCY UNITS HAVE HEIGHT ADJUSTABLE BEDS, PRIVACY SCREENS AND HOISTS TO ASSIST THOSE WITH THE GREATEST NEED

There is no reason that those with the greatest access requirements should not be able to attend any event.

We have made accessibility a main focus of ours for many years, and through a lot of research and external auditing, we developed 3 new High Dependency Units.

With a height adjustable bed, privacy screen and hoist, these PTL HDUs ensure that everyone can enjoy your event in a safe and dignified space.
